

## **MEMBERSHIP CANCELLATION FORM**

## MEMBERSHIP CANCELLATION POLICY

We recognize that there is "Life Outside of the Gym", and that life events happen that may make it impossible for you to continue your membership. Therefore, we offer our members the capability to cancel with little or no financial consequences. However, we have a few rules that we'd like for you to follow so that we get things right.

1.	Cancellations can be done by printing this form, completing the information, and returning a signed/initialed copy to the gym in person.	Initials:
2.	The cancellation start date must be at least two (2) full calendar weeks from the date you complete this form (date under your name below) because it takes time to input the information into the system. Cancellations are not immediate and not retroactive.	Initials:
3.	If the next payment falls within the 14 days' notice, your account will be charged, and your membership will continue for the following 14 days. Your attendance is optional during those 14 days, and all normal membership privileges will apply.	
4.	Due to administrative reasons, cancelling a membership cannot be undone for a minimum of 42 days. After cancellation, rejoining the gym may involve new membership fees.	Initials:
5.	If you wish to Freeze your membership instead of cancelling, that option is available. You may only freeze a maximum of two (2) independent times in one (1) calendar year. Freeze times must be a minimum of two (2) weeks and a maximum of six (6) weeks.	Initials:
6.	If you want to visit us after your cancellation or during a Freeze (or membership Hold), we'd love to see you, but if you come in for  a WOD, we'll have to charge you the \$20 drop in fee.	Initials:
