Grow with Willmore

Help a local treasure grow.

We invite you to be part of Willmore Kindergarten by giving to the **Grow with Willmore** campaign.

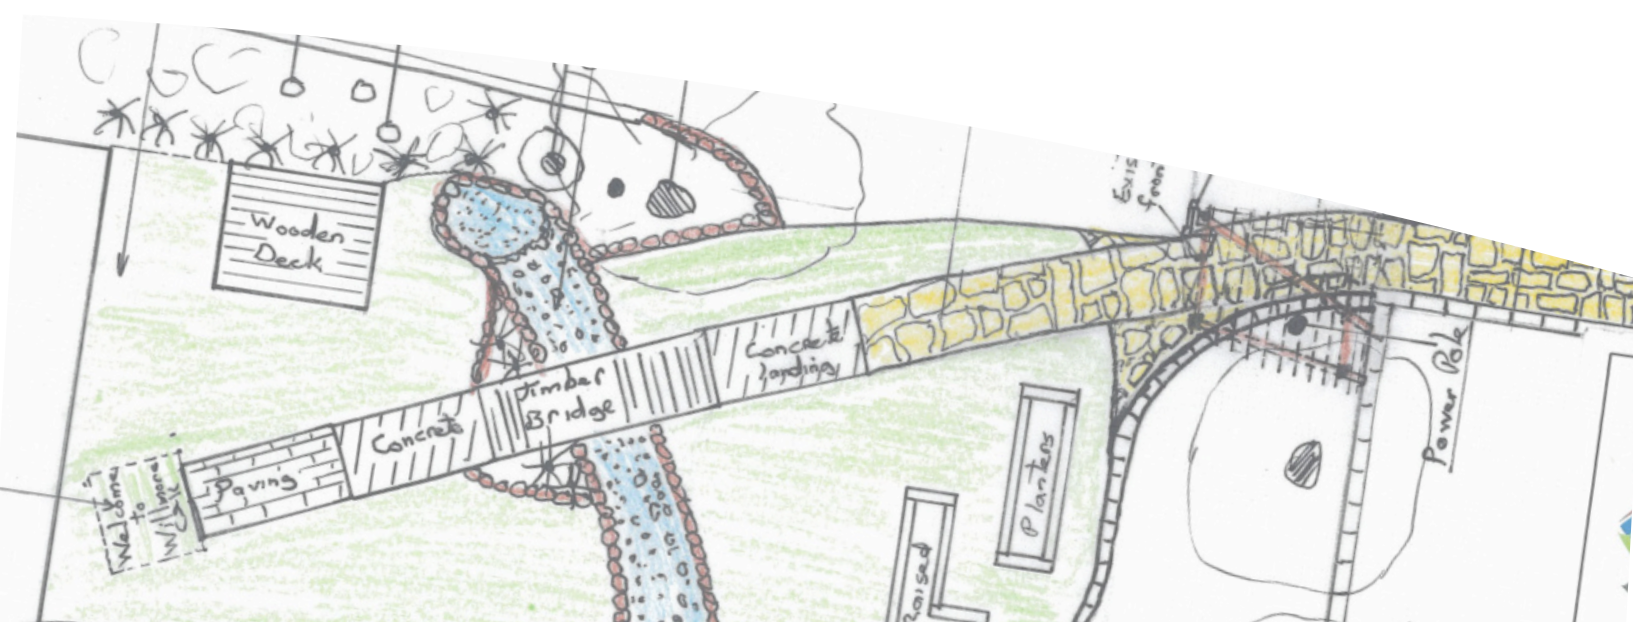

Nestled amongst tall leafy trees with beautiful natural outdoor spaces, Willmore Kindergarten was established 49 years ago by the Ferny Hills Progress Association who wanted a place for children to grow and learn.

In 2018, Willmore received \$17,500 Australian Government's Department of Industry, Innovation and Science Stronger Communities Programme as a contribution to the front garden redesign project.

Redeveloping the garden ensures the space is accessible and safe to all and a place the community can enjoy, however Willmore needs to raise a further \$10,000 to complete the project.

The **Grow with Willmore** campaign provides an opportunity for past, present and future families and local businesses to leave their mark at the Kindy by giving to the project.

We thank you in anticipation of your support.
