

ABC-Stewart School 2024-2025 Enrollment Information

We seek to educate and prepare each child to make life's journey as an independent, responsible citizen of the world. For over 50 years, ABC-Stewart has strived to be the school of choice for families committed to bringing out excellence in all aspects of their child. We incorporate respect, restraint, freedom of choice, and movement into each of our programs. Students are equipped with hands-on learning materials, aiding them through discovery and mastery of key concepts and ideas. Children in our programs learn to think critically. They are innovative, creative, and determined. Montessori education fosters a love for life-long learning and personal growth.

Please note; application and enrollment fees are due each year for each student. These fees help cover many items including consumable materials, emerging technologies, work books, snacks, etc.

The application fee is due upon submitting your application. Current families are given first priority until March 31st. In order to hold your child's place, current students should submit their applications prior to this deadline. New students will be given priority after March 31st. Enrollment fees and tuition deposits are due with your signed contract. All application, enrollment, and deposit fees are non-refundable.
