

EASTER, What does it mean to you?

By Judith Cook

April is here,
just what does it mean for you?
Is it your name?
Will EASTER remain the same?

EASTER is different to each and every one of us,
for some it's about our lord Jesus Christ.
To others it's Gin and don't forget the slice!
Always remember it's nice to be nice.

EASTER brings joy which is another name!
She will join in with a game.
Never forget whatever your aim,
EASTER must stay the same.

Celebrate with a chocolate EASTER egg for your pleasure,
holidays are back and it's time for our leisure
which I know we will always treasure.

An EASTER card we used to make,
whatever happened to them for goodness sake!
Bunny rabbits for our children
help to keep them entertained
even better if seen on a screen.

EASTER flowers brightens our day,
keeping those showers at bay
April is here,
smile, it's ok to cheer.
