[Am]

[Em7] Call up, ring [Am] once, hang up the phone  
To [G] let me [F] know you made it home  
Don't want [Em7] nothing to be [Dm7] wrong with [Em7]  
part-time [Am] lover  
If [Em7] she's with [Am] me I'll blink the lights  
To [G] let you [F] know tonight's the night  
For [Em7] me and [Dm7] you, my [Em7] part-time [Am]  
lover [C]

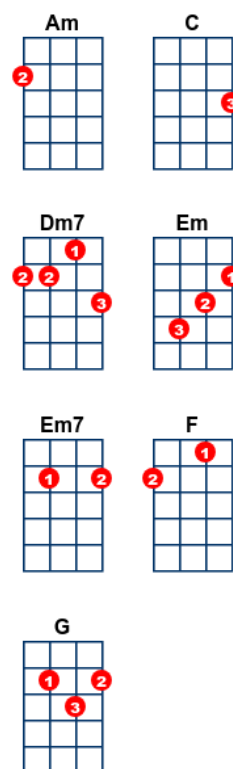

We are [F] undercover passion on the [C] run  
Chasing [Dm7] love up against the [Em] sun [Am]  
We are [F] strangers by day, lovers by [C] night  
Knowing it's so [Dm7] wrong, but feeling so [Em] right

If I'm with [Am] friends and we should meet  
Just [G] pass me [F] by, don't even speak  
Know the [Em7] word's "dis[Dm7]creeet" when [Em7] part-time [Am] lovers  
But [Em7] if there's [Am] some emergency  
Have [G] a male [F] friend to ask for me  
So then [Em7] she won't [Dm7] peek its really you my [Em7] part-time  
[Am] lover [C]

We are [F] undercover passion on the [C] run  
Chasing [Dm7] love up against the [Em] sun [Am]  
We are [F] strangers by day, lovers by [C] night  
Knowing it's so [Dm7] wrong, but feeling so [Em] right

[Em7] Call up, ring [Am] once, hang up the phone  
To [G] let me [F] know you made it home  
Don't want [Em7] nothing to be [Dm7] wrong with [Em7] part-time [Am]  
lover  
If [Em7] she's with [Am] me I'll blink the lights  
To [G] let you [F] know tonight's the night  
For [Em7] me and [Dm7] you, my [Em7] part-time [Am] lover [C]

We are [F] undercover passion on the [C] run  
Chasing [Dm7] love up against the [Em] sun [Am]  
We are [F] strangers by day, lovers by [C] night  
Knowing it's so [Dm7] wrong, but feeling so [Em] right

[Em7] I've got some [Am] thing that I must tell  
Last [G] night some [F] one rang our doorbell  
And it [Em7] was not [Dm7] you my [Em7] part-time [Am] lover  
And [Em7] then a [Am] man called our exchange  
But [G] didn't [F] want to leave his name  
I guess that [Em7] two can play the [Dm7] game  
Of [Em7] part-time [Am] lovers  
You and [Dm7] me, [Em7] part-time [Am] lovers  
But, she and [Dm7] he, [Em7] part-time [Am] lovers

[Em7] Call up, ring [Am] once, hang up the phone  
To [G] let me [F] know you made it home  
Don't want [Em7] nothing to be [Dm7] wrong with [Em7] part-time [Am]  
lover  
If [Em7] she's with [Am] me I'll blink the lights  
To [G] let you [F] know tonight's the night  
For [Em7] me and [Dm7] you, my [Em7] part-time [Am] lover
