

# Faith

key:G, artist:George Michael writer:George Michael

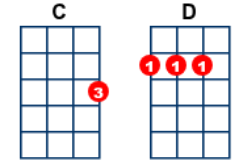

*Thanks to Stephen Nash*

**G**

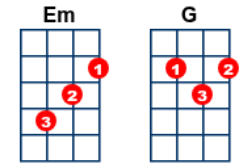

Well I guess it would be **G** nice... if I could touch your body

I know not **C** everybody... has a body like **G** you

But I've got to think twice... before I give my heart away

And I know **C** all the games you play... 'cause I play them

**G**  
too

Oh but I **C** need some time off... from **G** that emotion

**C** Time to pick my heart up off the **G** floor

Oh when that **C** love comes down with... **Bm** **Em** out de-votion

Well it **Am** takes a strong man baby but I'm **D** showin' you the door

Because I gotta have **G** faith... I gotta have faith

Because I gotta have faith faith faith... I gotta have faith, faith, faith-ah

**G**  
Ba-by... I know you're asking me to stay

Say please, please, **C** please don't go away

You say I'm giving you the **G** blues

Ma-a-aybe (huh)... you mean every word you say

Can't help but **C** think of yesterday

And a lover who **G** tied me down to the lover boy rules

Be-fore this river... be-comes an ocean

Be-fore you throw my heart back on the floor

Oh baby I'll reconsider... my foolish notion

Well I need someone to hold me but I'll wait for something more

Because I gotta have faith, I gotta have faith

Because I gotta have faith faith faith, I gotta have faith, faith, faith-ah

Be-fore this river... be-comes an ocean

Be-fore you throw my heart back on the floor

Oh baby I'll reconsider... my foolish notion

Well I need someone to hold me but I'll

Wait for something more

Because I gotta have faith, I gotta have faith

Because I gotta have faith faith faith, I gotta have faith, faith, faith-ah
