C
There you go and baby, here am I

G
Well you left me here so I could sit and cry

C
Well-a, golly gee what have you done to me

G **C**
Well I guess it doesn't matter any more.

C
Do you remember baby, last September

G **G**
How you held me tight each and every night

C
Well, whoops-a daisy how you drove me crazy

G **C**
But I guess it doesn't matter any more.

Am **Em**
There's no use in me a- cryin'

C
I've done everything and now I'm sick of trying

D
I've thrown away my nights

G **Dm** **Em** **G**
And wasted all my days over you.

C
Now you go your way and I'll go mine

G
Now and forever 'till the end of time . . .I'll find

C
Somebody new and baby we'll say we're through

G **C**
And you won't matter any more.

Am
There's no use in me a- cryin' **Em**

C
I've done everything and now I'm **C** sick of trying

D
I've thrown away my nights

And wasted all my days over **G** you. **Dm Em G**

C
Now you go your way and I'll go mine

G
Now and forever 'till the end of time . . . I'll find

Somebody new and baby we'll say we're through

G **C**
And you won't matter any more.

G **C**
You won't matter any more
