

A Million Dreams

Verse 1

G D Em
I close my eyes and I can see
C G
The world that's waiting up for me
D C
That I call my own

G D Em
Through the dark, through the door
C G
Through where no one's been before
D C
But it feels like home

Pre-Chorus

D Em D C
They can say, they can say it all sounds crazy
D Em D C
They can say, they can say I've lost my mind
D Em D C
I don't care, I don't care, so call me crazy
D Em D C
We can live in a world that we design

Chorus

G
'Cause every night I lie in bed
D
The brightest colors fill my head
Am C
A million dreams are keeping me awake

G
I think of what the world could be
D
A vision of the one I see

Am C
A million dreams is all it's gonna take
[STOP]
A million dreams for the world we're gonna
make

Verse 2

G D Em
There's a house we can build
C G
Every room inside is filled
D C
With things from far away

G D Em
The special things I compile
C G
Each one there to make you smile
D C
On a rainy day

Pre-Chorus

D Em D C
They can say, they can say it all sounds crazy
D Em D C
They can say, they can say I've lost my mind
D Em D C
I don't care, I don't care, so call me crazy
D Em D C
We can live in a world that we design

'Cause every night I lie in bed

The brightest colors fill my head
