 It's Christmastime, there's no need to be afraid  
    C                  D    G  
 At Christmastime, we let in light and we banish shade  
    C                  D    G                          C  
 And in our world of plenty we can spread a smile of joy  
    Am    D    G  
 Throw your arms around the world at Christmastime

   C                  D    G  
 But say a prayer, Pray for the other ones  
    C                  D    G  
 At Christmastime it's hard, but when you're having fun  
    C    D  
 There's a world outside your window  
    G    C  
 And it's a world of dread and fear  
    Am    D  
 Where the only water flowing  
    G    C  
 Is the bitter sting of tears  
    Am    D  
 And the Christmas bells that ring there  
    G    C  
 Are the clanging chimes of doom  
    Am    D    G  
 Well tonight thank God it's them instead of you

   C                  D    G  
 And there won't be snow in Africa this Christmastime  
    C    D    G  
 The greatest gift they'll get this year is life, Ohhhh

# Frosty The Snowman [Trad] in G

*G* *D7*  
 Thumpety thump thump, thumpety thump thump, Look at Frosty go.  
*G*  
 Thumpety thump thump, thumpety thump thump, over the hills of snow

*G* *C* *G*  
 Frosty the Snow Man, was a jolly happy soul  
*C* *G* *D* *G*  
 With a corn-cob pipe and a button nose, and two eyes made out of coal.  
*G* *C* *G*  
 Frosty the Snow Man, is a fairy tale they say  
*C* *G* *C* *D7* *G*  
 He was made of snow but the children know, how he came to life one day.

*C* *Bm* *Am* *D* *G*  
 There must have been some magic in that old silk hat they found,  
*D* *C#dim7* *Em* *D*  
 For when they put it on his head he began to dance around.

*G* *C* *G*  
 Oh, Frosty the Snow Man was alive as he could be,  
*C* *G* *C* *D7* *G*  
 And the children say he could laugh and play, just the same as you and me.  
*G* *C* *G*  
 Frosty the Snow Man, I knew the sun was hot that day,  
*C* *G* *C* *D7* *G*  
 So he said, "Let's run and we'll have some fun, now before I melt away."

*C* *Bm* *Am* *D* *G*  
 He led them down the streets of town right to the traffic cop,  
*D* *C#dim7* *Em* *D*  
 And he only paused a moment when he heard him holler, "Stop!"

*G* *C* *G*  
 Down to the village, with a broomstick in his hand,  
*C* *G* *C* *D7* *G*  
 Running here and there all around the square, saying Catch me if you can.  
*G* *C* *G*  
 Frosty the Snow Man had to hurry on his way,  
*C* *G* *C* *D7* *G*  
 But he waved good-bye, saying, Don't you cry; I'll be back again some day.

by *The Pogues* in C

It-was Christmas Eve babe, In the drunk tank  
An old man said to me, won't see another one  
And then he sang a song, The Rare Old Mountain Dew  
I turned my face away And dreamed about you

Got on a lucky one, Came-in-eighteen to one  
I've got a feeling, This year's for me and you  
So happy Christmas, I love you baby  
I can see a better time, When all our dreams come true  
--

They've got cars Big as bars They've got rivers of gold  
But the wind goes right through you It's no place for the old  
When you first took my hand, On a cold Christmas Eve  
You promised me Broadway was waiting for me

You were handsome, You were pretty, Queen of New York City  
When the band finished playing, They howled out for more  
Sinatra was swinging, All the drunks they were singing  
We kissed on the corner Then danced through the night
