Introduction

Verse 1

Oh well, in five years time we could be
walking round a zoo

With the sun shining down over me and you

And there'll be love in the bodies of the
elephants, too

And I'll put my hands over your eyes, but
you'll peep through

Chorus

And there'll be sun, sun, sun,
all over our bodies

And sun, sun, sun
all down our necks

And sun, sun, sun,
all over our faces

And sun, sun, sun,
so what the heck?

C-F/G-F/C-F/G-F

Verse 2

'Cos I'll be laughing at all your silly little
jokes

And we'll be laughing about how we used to
smoke

All those stupid little cigarettes and drink
stupid wine

'Cos it's what we needed to have a good
time

Chorus

And it was fun fun fun..
when we were drinking

It was fun, fun, fun...
when we were drunk

And it was fun fun fun...
when we were laughing

It was fun fun fun,
oh, it was fun

C-F/G-F/C-F/G-F

Verse 3

Oh well, I look at you and say it's the
happiest that I've ever been

And I'll say I no longer feel I have to be
James Dean

And she'd say, yeah well, I feel pretty happy
too

And I'm always pretty happy when I'm just
kicking back with you

Chorus

And it'll be love, love, love...
all through our bodies

And love, love, love
all through our minds

And it'll be love, love, love...
all over her face

And love, love, love...
all over mine

C-F/G-F/C-F/G-F

Verse 4

And admittedly all these moments are just
in my head

I'll be thinking 'bout them as I'm lying in bed

And I know that admittedly it might not
even come true

But in my mind I'm havin' a pretty good time
with you

Chorus

Oh, in five years time,
I might not know you

In five years time,
we might not speak

Oh, in five years time
we might not get along

In five years time you might just prove me
wrong

Closing Chorus

Oh, there'll be love, love, love
wher-ever you go

Oh, there'll be love, love, love
wher-ever you go

Oh, there'll be love, love, love
wher-ever you go

There'll be love [STOP]
