In **C** South Australia **F** I was **C** born, **F** heave away, **C** haul away

In South Australia **G7** round Cape **C** Horn, We're bound for

South Aus **G7** **C** tralia

C Haul away you **F** rolling **C** kings, **F** heave away, **C** haul away

Haul away, you'll **F** hear me **C** sing, We're bound for South

Aus **G7** **C** tralia

As I walked out one **F** morning **C** fair, **F** heave away, **C** haul away

'Twas there I met Miss **G7** **C** Nancy Blair, We're bound for South Aus **G7** **C** tralia

C Haul away you **F** rolling **C** kings, **F** heave away, **C** haul away

F **C** **G7** **C** Haul away, you'll hear me sing, We're bound for South Aus **G7** **C** tralia

I shook her up and I **F** shook her **C** down, **F** heave away, **C** haul away

I shook her round and **G7** **C** round the town, We're bound for South Aus **G7** **C** tralia

C Haul away you **F** rolling **C** kings, **F** heave away, **C** haul away

F **C** **G7** **C** Haul away, you'll hear me sing, We're bound for South Aus **G7** **C** tralia

I run her all night and I **F** run her all **C** day, **F** heave away, **C** haul away

And I run her until we **G7** **C** sailed away, We're bound for South Aus **G7** **C** tralia

C Haul away you **F** rolling **C** kings, **F** heave away, **C** haul away

F **C** **G7** **C** Haul away, you'll hear me sing, We're bound for South Aus **G7** **C** tralia
