

Because You're Young Chords by Cock Sparrer

CHORDS

[Intro]

C

[Verse 1]

Because you're young, sharp as a knife

You need that buzz to come alive

Out on the edge, out on the town

You ain't got time to settle down

You're always sure, you're always right

You see it all in black and white

You never listen to anyone

Because you're young

[Verse 2]

Because you're young, you're torn between

A world of hate and a world of dreams

So much to lose, so much to gain

So much to fight for, so much to change

You don't look back, you don't look

down

You don't look back, you don't look

down

You gotta turn everything around

You live your life like a loaded

gun

Because you're young

[Bridge]

C F G C F G F G C E Am F G C

Stop talking back, get off the phone

You're late again, you missed the

last bus home

This ain't the way you wanna live

I know something's got to give

You're always sure, you're always

right

You see it all in black and white

You never listen to anyone

Because you're young
