

Yahara River

2025

Fall CLEAN-UP

Veterans Memorial Park, N Main St, DeForest

Saturday, September 20th, 10:00 to 1:00

The Friends of the Yahara River Headwaters are hosting our annual Yahara River fall community cleanup on September 20th from 10:00 to 1:00. Please join us as we conduct an end-of-the-season cleaning of the river bed and banks. The focus of this cleanup will be collecting any summer rubbish that has found its way to the river and removing obstructions that would cause erosion or flooding. We will kick off the clean-up with a safety and equipment briefing at 10:00 in Veterans Memorial Park and then will go to work in designated river sections. We have many waders and tools for volunteers to use. Refreshments will be available!

Come help clean our Riverway!

Together we can better safeguard our shared waters. If you are interested in more information or would like to confirm that you will volunteer for this event, please get in touch with us through Facebook or by email to: yaharaheadwaters@gmail.com
