Log Cabin on Custard Satin

By Ellen Stohler

The author shared some history about the early Decorating Department at Fenton.

Log Cabin on Custard Satin, created by Louise Piper, was introduced in the Fenton Art Glass line in 1976. It featured a rustic cabin, nestled among tall trees, with majestic mountains in the background.

Right: two pictures of a OOAK (?) 7429 LC comport hand-painted by Louise Piper.

The 1976 line included the 1437 LC basket, 7300 LC fairy light, 7252 7-inch vase, and 7412 LC Student lamp. Added in 1978 were the 7201 LC 16-inch hammered colonial lamp and 7288 three-piece ginger jar. 1979 brought the 7311 LC 11-inch hurricane lamp, 7488 LC temple jar, and 7362 LC bell. The 8600 LC clock and 7615 LC plate were added in the early 1980s. In 1990 two Ivory Satin lamps were added.

Critter Corner

By Becki Ann Selby

The Itty Bitty bear is 2 1/4 inches tall and was introduced in 2000. This bear was part of an experiment in the 1990s when Fenton wanted to create a smaller bear. The glass wouldn't completely fill the mould. These smaller bears were sold in the Blue Ridge Room during a FAGCA Convention. The mould was modified and enlarged into what is now the 5251 bear.
