Cesar E. Chavez Holiday Parade & Festival 2019

San Francisco's Annual Cesar E. Chavez Holiday Parade & Festival is a significant community event in the City's Mission neighborhood that celebrates the life and legacy of Cesar E. Chavez (3/31/27-4/23/93). Cesar inspired farm workers and millions of people who never worked on a farm to commit themselves to social, economic and civil rights activism.

Cesar's legacy continues to educate, inspire and empower people from all walks of life. He is a role model for all Americans and for generations to come.

The culturally diverse event draws audiences from San Francisco and the Bay Area, and has become the largest celebrated Cesar E. Chavez community event in Northern California.

The event begins with a parade and march from Dolores Park, a historical Mission neighborhood park. The parade is led by the Latino Honor Students from San Francisco Bay Area public schools carrying their school banners; followed by community based organizations, labor unions, community leaders, elected officials, floats inspired by the UFW movement, musicians, dancers, and Classic cars. Hundreds of supporters march through the Mission neighborhood ending on 24th Street at the Cesar E. Chavez Festival.

The Festival includes family entertainment, cultural dance and music, a Children's Area, a Classic Car Show, arts & crafts vendors, local community resources, and information booths. Merchants will have sidewalk sales and food will be provided by local restaurants. The 2019 Festival highlights include: Main Stage at 24th Street at Bryant Street.

Thousands attend the annual Cesar E. Chavez Holiday Celebration--families, students, artists, community based organizations, labor unions, community leaders, elected officials, schools, business and corporate partners and many more. Don't miss this wonderful opportunity to showcase your entity services and/or products while supporting an important community event. Please join us in commemorating the life and work of Cesar Chavez.
