### YMCA - Camp Seagull Counselor

Started camp as a Junior Counselor and was promoted to Senior in Action during my employment. Lived with and was responsible for the supervision of my campers at all times - at sunup and at sundown, before and during meals, during rest periods and rainy periods, and during evening programs. As a Senior in Action, I was required to write a weekly report on each camper to update the child's parents, clean the cabin at the end of camp, and participate in voting for character and honor awards at the end of camp.

My Summer responsibility/activity was in the Aquatic Area as a Lifeguard. I was required to report to my activity every day for the program periods, which were 9:30 a.m. to 12:30 p.m. and 2:30 to 5:30 p.m.
