

BASEBALL NSW INFRASTRUCTURE PLAN

Baseball NSW used SportsEye as a central part of their State Facility Strategy to identify potential areas for member growth and gaps in infrastructure provision.

OBSERVATIONS

Key gaps at a district level are "Eastern City" and "Western City"

At an LGA level key "Eastern City" Councils include Randwick, Sydney and Bayside whilst key "Western City" LGAs include Camden and Campbelltown

Other LGAs of note are Parramatta and Georges River
