Stewardship Reflection

"Go, eat rich foods and drink sweet drinks, and allot portions to those who had nothing prepared..." (Nehemiah 8:10)

Ezra's instructions to the people show us that God does not forbid us from enjoying the good things in life. He wants us to be happy! However, God expects us to be grateful for all that He has given us and to generously share our blessings with those who are in need. Now here's the hard part – to share all we have without expecting anything in return.

January 2022

For true human fraternity

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized which originate from being brothers and sisters in the human family.

This material is applicable for all those dealing with toddlers through adolescents: teachers, parents and helping professionals. Year of the Family

On March 19, the church celebrates five years since the publication of the Apostolic Exhortation *Amoris Laetitia* on the beauty and joy of love in the family. Pope Francis announced that a special year dedicated to the family will launch on the same day, which will conclude on June 26, 2022 on the occasion of the 10th World Meeting of Families in Rome with the Holy Father. "This special Year will be an opportunity to deepen further the content of the document *Amoris laetitia*, through proposals and pastoral tools. These will be made available to ecclesial communities and families, to accompany them on their journey." Learn more and view resources at rcav.org/year-of-the-family.
