National Catholic Health Care Week

From **February 1 to 7, 2026** we mark National Catholic Health Care Week across Canada. Inspired by Catholic social teaching, this year's theme Open Hearts, Healing, Hope reflects the profound belief that healing is communal. We are grateful for our Catholic health ministries as partners in the healing ministry of Jesus, fostering trust, promoting justice and respecting the dignity of every human person—body, mind and soul. Pray with us during the Week with special daily reflections and prayers. Learn more and find resources at beholdvancouver.org/events

Special Prayer Intention for Catholic Health Care

The court case involving St. Paul's Hospital continues to be heard by the B.C. Supreme Court. The case pertains to whether faith-based health care facilities are permitted to operate in accordance with their values by not providing Medical Assistance in Dying (MAiD). It will challenge Catholic healthcare and its place within Canada's publicly funded healthcare system.

Lord Jesus, Divine Healer, you sought out the sick, the marginalized, and those cast aside. We pray for all who receive care at St. Paul's Hospital, for their families and loved ones, and for all healthcare workers who serve with compassion. We entrust this court case to your care. Grant wisdom to those who must decide it, that justice may prevail and that Catholic health care may continue its mission without compromise. Help us to protect those who are most vulnerable and to build a society where every human life is sacred.
