BULLETIN

The Future Is Now

Sometimes we say the kids are the future...of the Church, of the society, of the country, whatever the subject may be. Of course, there's great truth in that saying as there is in most clichés, (that's why they are clichés). But really, what I would like at Our Lady of Lourdes, is for the youth to be the PRESENT of the Church, the NOW of the Church. We want the youth to be involved at most every level. The truth is, we don't have an overabundance of youth because we don't have a school, therefore, many parents join neighboring parishes who have Catholic schools, leaving us with fewer children.

Despite that, our numbers are growing. You can see we have a healthy contingent of altar servers, we have young people doing the readings at Mass, some sing in the choir.

When you go have a coffee after Mass in St. Anne's Hall you might see a little donation jar. You might every now and then throw a Toonie in the jar and you would be contributing to our Youth Development Fund.

So far we've been using that fund to provide activities for our youth. Last week we took the gang out to the ballpark – Nat Bailey Stadium, to see the Vancouver Canadians (a farm team for the Blue Jays) It was a great day for baseball and a great time for the kids (and a few adults). At events like this, the kids get to know each other better, and build relationships.

And in August, we're going to send two of our youth to the Arise Youth Retreat put on by the Archdiocese at Camp Jubilee. (see page 3) If you are interested, please let Me or Alex Lim know.

WELCOME

We welcome all visitors. If you are new to the Parish, please fill out the registration form available at the entrance to the Church. And please introduce yourself to our pastor, Father Larry.

We want to invest in our children and bring more youth to our parish. Parents can send their children to the Catholic schools in the area and still remain parishioners of Our Lady of Lourdes. We will happily pay the subsidy. Let's support our youth, they are the parishioners of today and tomorrow.

Peace, *Father Larry*
