TLA Presents

Traditional Learning Academy is proud to present How to Survive Being in a Shakespeare Play. It is a one act play, a spoof on Shakespeare's tragedies. "Some day it's going to happen: You're going to find yourself on stage, wearing tights, and saying things in iambic pentameter. Face it, you're in a Shakespeare play, and that means it's a pretty good bet you're going to DIE. The Bard is out for blood, but this play is here to stop him! How could Romeo and Juliet survive? Julius Caesar? A nameless soldier in Henry the Fifth? What if King Lear had an emotional support llama and didn't need to make terrible mistakes? Join us in discovering how a dozen of Shakespeare's plays could've turned out differently! If only they listened..."

The play will be performed at OLOL, in our new hall downstairs, on **May 22 at 7 pm, May 23 at 2 pm and 7 pm.**
