Plain Folk Live is a community-oriented gathering place offering good food, good beer, and good music in an historical setting... we're just plain folk looking to have a good time!

A two-room schoolhouse built in 1913, the Pleasant Plain Public School is home to Plain Folk Live! Enjoy our craft beer selection, cafe menu, and live entertainment inside; or on a nice day, enjoy our large outside dining area on the back deck. There's even a playground for the kids!

Featuring live local music, Plain Folk Live is open Thursday through Sunday. Check out our Live Music Calendar page to find out what's going on this week!

We're still Plain Folk...
