

2020 SPRING Vaccinations and Coggins-GROUP RATE

Owner/Lessee: _____
 Address: _____
 Phone: _____ Email: _____

Horse #1: _____

- Coggins \$33 _____
- EWT/WNV \$48 _____
- Flu/Rhino \$35 _____
- Rabies \$14 _____
- Lyme #1 (*Optional, first time only*) \$40 _____
- Lyme #2 (*Optional, first time only*) \$40 _____

NOTE: This initial series is administered in two vaccinations and given 3-6 weeks apart.

The booster (listed below) is semi-annual thereafter.

There is no USDA approved Lyme disease vaccine for use in horses. Some horse owners have elected to vaccinate their horses using Lyme disease vaccines approved for use in dogs. There is no research or clinical information to support the use of the dog vaccine for Lyme disease prevention in horses, however many veterinarians believe there is some benefit to it.

- Semi-Annual Lyme Booster \$40 _____
 (for horses already receiving this vaccine)

Horse #2: _____

- Coggins \$33 _____
- EWT/WNV \$48 _____
- Flu/Rhino \$35 _____
- Rabies \$14 _____
- Lyme #1 (*Optional, first time only*) \$40 _____
- Lyme #2 (*Optional, first time only*) \$40 _____
- Semi-Annual Lyme Booster \$40 _____
 (for horses already receiving this vaccine)
