

Silver Eagle Stable Rules

- Barn Hours: 8am to 9pm daily. Prior coordination with management outside of these hours is required.
- All guests, students, and boarders must sign a Hold Harmless agreement, regardless whether they ride or not.
- All riders will clean up after themselves and their horse, including farrier clippings, hair trimmings, the arenas, and the wash rack. Leave the barn looking better than when you arrived.
- If you notice anything missing, broken, or injured, notify barn staff immediately.
- If you would like to borrow something, ask before you use it, and then return it when you are finished.
- If you damage or break something, you are expected to promptly repair or replace it and advise Management.
- Do not feed any horses without permission from the horse's owner or barn staff.
- No minor (under 18) is allowed to ride without an adult on premises. Children under 15 years old must have parental supervision unless prior arrangements are made with barn management.
- No cell phone use while mounted (unless personal emergency).
- 24 hour cancellation notice is required for all lessons. Without providing a 24 hr. notice, you will be charged the full price for the lesson. The only exception is family emergency or illness; please contact your instructor as soon as possible if these occur. Your instructor will notify you if lessons are canceled due to weather conditions. Payment for lessons is due at the time of the lesson.
- Only one rider on a horse at a time. No double riding.
- No minor (under 18) may trail ride alone. Adults may do so but it is highly recommended cell phones go with the rider and/or someone on premises is told.
- Tack rooms are provided for each boarder to store their equipment. Any items left outside the stall must be neatly organized and not obstruct the hallway.
- Tack room locks are the responsibility of the boarder. The Stable is not responsible for any boarder personal items that become missing.
- Silver Eagle Stable supplies (medications, flysprays, ointments etc.) are for Silver Eagle horses only.
- No one will operate any of Silver Eagle Stable's vehicles/machinery without management permission.
- No one may use, feed, or move Silver Eagle Stable's hay or sawdust without management permission.
- If you are the last person to leave the property, please turn off all lights and secure the main gate.
- Anyone not adhering to the above rules are subject to expulsion from Silver Eagle Stables.
