

Privacy Policy

Effective Date: 01/01/2025

Appraisal associates of Central Texas, LLC ("we," "us," or "our") is committed to protecting the privacy of your information. This Privacy Policy explains how we collect, use, and protect your information. We adhere to the CTIA (Cellular Telecommunications Industry Association) guidelines and applicable federal and state laws regarding consumer privacy.

Information We Collect

We may collect the following types of information:

Information you provide directly: This includes information you provide when you contact us, sign up for services, or otherwise interact with us, such as your name, phone number, email address, and any other information you choose to share.

Usage Information: We may collect information about your use of our services, such as the type of service you use, and the time of your activities. This information is used to improve our services and provide better user experience.

How We Use Your Information

We may use your information for the following purposes:

Providing and improving services: To provide you with the services you request, personalize your experience, and improve our services.

Communicating with you: To respond to your inquiries, provide customer support, and send you important updates or notifications.

Legal compliance: To comply with applicable laws and regulations.

Information We Do Not Share

We do not share your personal information with any third parties for marketing or any other purposes. This includes, but is not limited to, your name, phone number, email address, or any usage information. We are committed to maintaining the confidentiality and security of your information.

Opt-In Information

We do not collect or share any opt-in information with third parties. Any information you provide to us is treated as confidential and used solely for the purposes outlined in this Privacy Policy. We do not sell, rent, or exchange your information with any third parties.

Data Security, Children's Privacy, and Contact

Data Security

We take reasonable measures to protect your information from unauthorized access, use, or disclosure. These measures include encryption, access controls, and secure storage. However, no method of transmission over the Internet, or method of electronic storage, is 100% secure. Therefore, while we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

Children's Privacy

Our services are not intended for children under the age of 13. We do not knowingly collect personal information from children under 13. If you become aware that a child under 13 has provided us with personal information, please contact us.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with a revised "Effective Date." We encourage you to review this Privacy Policy periodically.
