Get Care Now

Life is hectic. Staying healthy doesn't have to be. MUSC Health offers an easy-to-use online virtual urgent care service that you can take from the comfort of home.

Patients can expect the same care you would receive at an urgent care facility, for a fraction of the price, conveniently from your cell phone, computer or tablet.

Conditions we treat:

- Allergy/hay fever
- Common cold
- Pink eye
- Sinus infection
- Skin rash
- Sore throat
- Vaginal yeast infection
- Urinary tract infection
- And over 40 more!

Start a Virtual Urgent Care visit by scanning the QR code or visit MUSC.care.
