Art Requirements

Presentation:

Each artist may submit up to two works of art. Each submission must have its own entry application.

Art works must coordinate with the exhibition's seasonal theme and be an interpretation of the Nativity or Christmas Festive. Whether that be landscape, portraits, still life, etc.

All works should be ready for hanging with appropriate strength wire and hardware. No sawtooth hangers will be allowed.

All works must be matted and/or framed in a manner appropriate to the work. Plexiglass or glass may be used. If glass, please limit to smaller work - weight being a concern. Gallery-wrapped canvases are acceptable.

Gallery level care will be given to all entries, however the Marshall Place Gallery is a public space, the parties representing this space will not assume responsibility of loss or damage.

Works on display can be for sale. The public will need to be directed to contact the artist directly for purchase.
