

Are you ready for Medicare?

Follow this checklist to ensure you are all set up for Medicare!

○ **Are you still working, but looking to retire?**

Talk to your HR department and find out exactly when your current insurance ends, what other options for credible coverage

○ **Did you receive your Medicare card?** (If you are currently collecting Social Security, you will automatically receive this about 3 months prior to Medicare starting. If you are *not* collecting Social Security, you have to manually sign up, and request the card)

If yes, contact <https://dewinsurance.com/contact-1>

Or call 352-217-1000

If no, you must contact Social Security (800) 772-1213

○ **When do I start the process?**

Depending on your birthday, you can find the plan that is right for YOU within 3 months before the month you turn 65 (unless you turn 65 on the first day of the month. Then it's 3 months before the month prior to the month you were born.)

○ **Decide if you would prefer Original Medicare or a Medicare Advantage plan**
