

R.I.S.E Resource Center, a program of Soul Searching Ministries, Inc., exists to **Empower women who have experienced domestic violence** by providing safe transitional housing, life-changing resources, and spiritual support. Our mission is to help survivors rebuild their lives with dignity, stability, and independence through compassionate care, education, and community partnerships.

We serve women in Durham, Chapel Hill, and Raleigh who are overcoming abuse, trauma, and housing insecurities. Through rental assistance, emergency hotel shelter, court accompaniment, counseling, workshops, employment support, and advocacy, R.I.S.E stands in the gap to empower women to RISE again.
