Our new Night Golf Balls didn't show up on time so we ended up using old Glow Balls that really didn't work. That didn't stop us from having a good time playing in the dark, however. Some people actually played better when they couldn't see where they were hitting. The new balls arrived the day after the tournament so stay tuned for another Night Golf Outing as the weather warms up!

Come out to Pinewood and try out the newest game to hit the fairway! Anyone Can Play
