

# Badger Orienteering

Wisconsin, USA

- **2019:**
  - **4May19 Score O -Greenbush N Kettle Moraine SP**
- “What a perfect day,” and “devious,” were the quotes of the day at the May 4th Badger Orienteering meet at the Greenbush Unit of Kettle Moraine State Forest. At 65 degrees on a May day in Wisconsin, it’s hard to argue with it being a perfect day to run through the woods. The “devious” placement of control 33 was much discussed by Long Course racers, due to the placement in a pit, hung under a log (thanks, Anthony), causing some to circle around multiple times to find the micro control and surely utter words we prefer not to print.
- Badger Orienteering club was happy to see so many faces and varieties of experience. A number of folks made the drive up from Chicago to participate, including Jan Eric with the fastest Long Course time at 64 minutes covering 24 controls points. We also saw several of beginners attending the orienteering clinic. They all managed to finish in time and appeared to have fun while learning that sometimes, you just get lost and it’s part of the experience. We hope that Ethan was able to earn the orienteering badge for the Scouts. If you have any issues Ethan, have the Scout Master give us a call, we’ve got you covered.
- Overall a great event at a great location! Many thanks to the volunteers who worked at the start area through the event. We couldn't do it without you!
- We hope to see everyone in the woods May 18th at Lapham Peak for another great event.
