Our Club's participation in World Orienteering Day!!

It was a great turnout and a perfectly good time in some perfectly imperfect weather. Over 60 participants took on the challenge of one of Charlie's 3 great courses. Some even ran them all in the 3-Course Challenge. We had over 20 newcomers enjoying their first Orienteering experience.

The terrain was awesome! Many experienced Chicago Orienteers made the long drive to experience Wisconsin terrain and raved about the nice woods and fun courses.

Many thanks to all the volunteers who made this event run smoothly.
