EVENT: DEVIL'S LAKE

The Badger Club had 33 starts and nearly 50 participants on three courses starting and finishing in Steinke Basin. We had orienteers join us from the Minnesota and Chicago Clubs. All starters finished the Beginner course. The Medium course had several advanced controls. Thank you to all those that volunteered to help run the event. Madeline, Rick, Mark, and Derek helped at registration & finish. Tim, Derek, Kendra, and Chris picked up controls, and Susie ran a Beginner's Clinic. Our next event is at Blue Mound in two weeks.
