

Fury Basketball Club Fall Tournament Information

“ Celebrating Our 13th Season of Professionally Run Events ”

Dear Coach/Basketball Contact,

The Fury Basketball Club will once again be offering Tournament Events throughout New York State. Enclosed/Attached you will find a flyer with Event Information. Over the past twelve years 98 % of our events have gone on as scheduled as we take great pride in not cancelling events. Special effort is given to posting our schedule early in the week prior to the event to make things easier for teams. We honor scheduling requests whenever possible as well as back to back games when requested. As always, our #1 PRIORITY IS THE HEALTH AND SAFETY OF ALL PARTICIPANTS. Our events will adhere to All New York State Health Department Covid Related Rules and Regulations and our Fury Website: WWW.FLFURY.COM is updated regularly with current protocols. Please review our upcoming events and if you have questions e-mail Bob Guy at: RGUY2@ROCHESTER.RR.COM and he will follow up.
