Local Passion - Global Impact

Kiwanis is ready for you!

The principal core of the Kiwanis Entertainment Industry Group's mission is the belief that the most effective way to enhance a community is to enhance its children. By working together, our members achieve what one person cannot accomplish alone. When you give a child a chance to learn, experience, dream, and succeed, great things will happen.

We are: Arts Education

We are Kiwanis A global community of member volunteers dedicated to improving the world one child and one community at a time. Our service projects address issues such as malnutrition, illiteracy and access to medical care. Working together, we achieve what one person cannot accomplish alone. And along the way, club members share fun, fellowship and laughter.
