TESTED SAFE 2 PAIRS

CAMO

GLARE REDUCING SPORT STRIPS

Glare Reduction And Effective Facial Camouflage All In One

For Best Results:

- Once applied, DO NOT readjust
- Apply to cool, dry skin
- Remove all sunscreen or makeup on the face.
- To apply, simply peel and stick

CAMO

GLARE REDUCING SPORT STRIPS

Won't Wipe Off or Smear
Lasts All Day in the Woods
Easy Peel & Stick Application
Safe Medical Grade Materials

Eye blackening and camouflage has been used for centuries to help reduce the glare of the sun and blend in with natural surroundings. Now, Camo Glare Reducing Sport Strips has used safe medical grade tape and adhesives for a safe and easy to use glare reducing device and facial camo all in one. No messy application like other products and is easily removed when the hunt is over.
