

2025 DSA Senior Bios

DST

- Nate McClarren
 - Nate McClarren is a 2025 graduate of Cambridge South Dorchester High School. He joined the CSD Swim Team and Shore Fin's Team this year. His favorite stroke is freestyle. His favorite memory is swimming a mile of butterfly with Preston and Andrew. He will continue his education at The Landing School.
- Rodney Harris
 - Rodney Harris is a proud 2025 graduate of Cambridge-South Dorchester High School. A dedicated and passionate swimmer, Rodney began swimming with the Dorchester Shorefins at 9 years old. At a young age he developed a strong foundation and love for the sport. Over the years, his commitment and hard work have paid off in remarkable ways. He also swam on his high school swim team where he was the captain for three years and MVP. Rodney has broken 3 school records which are most school career points, most points in a single season and a part of the men's 400 freestyle relay school record team. Rodney was also a member of the TCY swim club where he was named MVP. His favorite events include 100 Breast, 200 Breast, and 100 IM. This fall, Rodney will take the next step in both his academic and athletic journey as he heads to Frostburg State University. He will be majoring in Electrical Engineering and proudly continuing his swimming career as a member of the Frostburg State Bobcats Swim Team. Go Bobcats 🐾

KST

- Reagan Garnsey
 - Reagan Garnsey, a graduate of Caesar Rodney High School, has been a member of the swimming community for over a decade. As a Varsity swimmer and golfer, she has accomplished so much in and out of the pool. Reagan will be continuing her athletic and academic career this fall, playing on the Division 1 Golf Team at the College of William and Mary. She is grateful for the opportunities, support and friendships that have come from her years swimming and remember the memories forever!

MRYC

- Zachary Steinberg
 - Zach is a graduate of the Gunston School. Zach's swimming career started at the age of 5 at Miles River Yacht Club where he just loved to be in the water. After several summers of swimming at MRYC, Zach decided to start swimming year-round at Talbot County YMCA club team. Under some great coaches, Zach began to progress quickly where he was able to participate in Junior and Senior MD states while at Talbot Swim Club as well as obtain two 11-12 records (50 and

100 breaststroke). Zach's career progressed to attending larger regional meets such as the "Cap Classic" in Cary, NC. During high school at the Gunston School, Zach was a part of a brand-new team, one that went undefeated in his junior year. Zach holds 5 records at Miles River Yacht Club, two at Talbot County YMCA and one at Talbot Swim Club. Zach will attend Flager College in St. Augustine Florida this fall where he will major in Coastal Environment Science and minoring in Spanish.

ONLEY

- Camden Lewis
 - Camden Lewis is a graduate of Nandua High School. He plans to attend ODU to pursue a degree in Nursing. He is thinking about doing club track or swim at ODU. Camden swam on the Onley Skimmers for 5 years and hold multiple team records. Camden says Thank you to all his coaches, friends, and family for pushing him and helping him succeed.
- Sarah Cobb
 - Sarah Cobb will be attending Eastern Shore Community College and plans to study business. She has been a part of the Onley Skimmers for eight years. She wants to say thank you to her friends, family, coaches, and teammates for supporting her in swimming for the last eight years.
- Emma Holt
 - Emma Holt is the valedictorian graduate of Nandua High School. She plans to attend the University of Virginia and study Biology. Emma was a member of the Onley Skimmers for 4 years and cherishes her memories of having fun at meets with friends.
- Meya Charnock
 - Meya Charnock is a graduate of Nandua High School and will be attending Virginia Tech to study Architecture. Throughout all my years on this team I can say that the memories that have stuck with me the most are the ones in which I am surrounded by my team. Whether it was swimming with my relay or helping the tadpoles begin their swim journey. I was always the happiest just simply being with my teammates and those are the memories I will cherish forever. Thank you Skimmers for allowing me to be a part of this team and our amazing swim family. I will miss you all dearly!

OPST

- Bryce Gill
 - Bryce is completing his fourth year with Ocean Pines Swim Team and finished four years of swimming for Stephen Decatur where, this year, he lead his high school team to the state championships as a team captain. He has been accepted into the University of Maryland Clark School of Engineering as well as into the Scholars program where he will be studying Aerospace Engineering. Out of the pool, Bryce has enjoyed tennis, chess, and camping with family and the Scouts.

He plans to check out club swim and water polo once he gets settled in at College Park this fall. He would like to thank his parents, teachers, and support from Coach Kristina for her years of instruction on both teams. He also acknowledges that he has siblings, who sometimes swim. 😊

- Jason Kutz

- Swimming has been a major part of my life since I was four and joined my first swim team, the Huntington Dolphins in Columbia, MD. One of my proudest achievements is earning third place in the all-city swim meet in the butterfly event while swimming for the Dolphins at age 8. That victory pushed me to start competitive swimming. I have been lucky to have been a part of multiple competitive swim teams including GBSA, HOCO Aquatics, the Clippers and the Ocean Pines Hammerheads. In high school I realized soccer was my passion but I continued to swim during the summer. I was an active member of my high school's swim club and often played pool volleyball after finishing my shift as a lifeguard. After this season I am going to attend Stevenson University to pursue a degree in computer information systems with a minor in cybersecurity. I want to take this opportunity to thank all of my coaches for making me get up at ungodly hours and working with me even when I did not want to be in the pool. Their dedication helped me to become a better swimmer and to have strong work ethics.

- Will Wells

- Will's swim team experience began at age 5 as a Gator with Seaford Community Swim Center. As a 10-year-old, Will broke every record for the Gators and still holds those records there today. At age 6, he joined the winter Barracuda Swim Team at the Seaford Boys & Girls Club which led to him joining the year-round USA BST team in 2016. BST later merged with the Mako Swim Club in 2022. In August 2024, Will joined OPST to see out his swimming career through his senior year. Will's been a certified lifeguard for 4 years and has enjoyed teaching swim lessons in Bethany Beach for the last three summers. Will graduated from Worcester Preparatory School. He was a straight-A student, on the golf and swim teams, performed in school plays, founded The Real Estate Club and was a Student Government officer. In August, he's headed to the University of Georgia to major in Business and Real Estate and eventually go to law school. He hopes to return to Delmarva after completing his education. Will's favorite thing about swimming has been the incredible friendships he's made with his teammates. He also believes swimming has prepared him well for life and has taken Coach Scott's advice to heart that to succeed, "you gotta get comfortable with being uncomfortable."
