

Confast

Bent bolt Boiler Mounting Anchor

Quality	Plug	Screw
Material	Polyamide 6	Strength : 4.8
Finish	Moulded	Zinc & Yellow Passivated
Size	12mmx80mm length	9.6 mm x100mm

Instruction for Installation

Safe working load for one anchor in Building material			Plug Size	
			12mm	10mm
Concrete	-C20/25	kN	0.8	0.5
Solid Brick		kN	*	*
Aerated Concrete	Class-4	kN	0.2	0.12
Edge Distance			80mm	80mm

Safety factors are considered

*Due to high variance of substrate loads cannot be given, recommend onsite testing

Valid for both Tension and Shear load
