### Adoption Agreement Terms

- **Appointment Missed:** If an appointment scheduled through PAWS is missed by the adopter, the adopter will be financially responsible for the appointment when rescheduled.
- **Shelter & Care:** If the dog or cat has been approved to be kept outside, the adopter must provide adequate shelter that protects the animal from the elements. The animal must always have access to fresh food and water daily. The animal is to be kept on the property unless supervised and must never be kept on a chain or in a small pen.
- **Return Policy:** We [PAWS] reserve the right to obtain the animal back if the aforementioned requirements are not met.
- **Veterinary Care:** The animal must remain fully vetted. This includes regular/annual vaccines and check-ups, as recommended by a veterinarian.
- **Surgical Procedures:** The animal must not undergo any unnecessary surgical procedures, such as declawing (cats) or cropping dog's ears.

- **The Animal CANNOT be Rehomed:** If for any reason the adopter can no longer keep the animal, it **MUST** be returned to the Pike Animal Welfare Shelter.
- If there is concern of the animal not being cared for properly, we [PAWS] have the right to request a vet visit for a health check and/or obtain the animal back.
- All current dogs/cats must be spayed/neutered and be up to date on vaccines.
- **PAWS cannot and does not make any promises of adopted animal's personality. PAWS can only attest to the behaviors seen at the shelter on a daily basis.**
