Jordan's Way

**IS COMING TO PIKE ANIMAL WELFARE SHELTER
ON THURSDAY, OCTOBER 16TH - STARTING AT 6PM!**

First and foremost, let me introduce myself!

I'm Kris Rotonda, and I founded Jordan's Way after my best friend, Jordan, passed away. Jordan was a shelter dog who spent the first 3.5 years of her life being overlooked in a shelter. We spent 11 wonderful years together before she died from cancer of the heart. After she passed, I made it my life's mission to honor her legacy through Jordan's Way, an organization that helps raise money and awareness for hard-to-adopt shelter animals and the amazing groups who support them.

In January 2021, I hit-the-road on a 50-state tour, visiting animal shelters/rescues across the country and hosting 3-hour LIVE Facebook fundraisers. Through the exposure, awareness, donations and the fun, thousands of difficult-to-place dogs and cats that had been in the shelters for far too long were adopted soon after the attention they received during a Jordan's Way event. That is our ultimate goal. To get the unnoticed noticed.

In just over 4 1/2 years, we've raised over \$13 Million for shelters and rescues across the country doing one fundraiser at a time and we are not even close to being done. Thank you for taking a chance on me and my team!
