

## AUSTRALIAN DEATHRASH WREAKING INTERNATIONAL HAVOC!!!

FIRST ESTABLISHED IN 1992, INELECT DEVOURER HAS LONG BEEN GRANTED CULT STATUS IN THE AUSTRALIAN METAL UNDERGROUND. PLAYING A UNIQUELY EXTREME STYLE OF TECHNICAL DEATHRASH METAL, THE BAND RECORDED A SINGLE, "PRAYER TO TRESSALY," IN 1993, AND A THREE-SONG DEMO, "HORSELUSTVULGARIS," IN 1994. HOWEVER, THE BAND DISSOLVED THAT SAME YEAR, AND DRUMMER DENNY BLAKE WENT ON TO FORM THE GREAT STARGAZER, WHOSE WORK WOULD GAIN MUCH MORE RECOGNITION IN THE DECADES THAT HAVE SINCE PASSED.

IN 1999, THE BAND REFORMED AND RELEASED "MUNDUS INTELLECTUALS". TEN YEARS A REUNION GESTAED AND INELECT DEVOURER UNLEASHES "DEMONS OF SKUL", AN AWE INSPIRED NINE-TRACK TECHNICAL DEATH METAL BEAST, WRITEN FROM 1991 ONWARDS, AND VASTLY UNCHANGED.

NOW, A NEW ALBUM IS ON THE WAY AND THE BAND IS READY TO WREAK INTERNATIONAL HAVOC!!!
