### Task 1: Watch the Viewtorial and complete the following text using the Word Bank.

Viola returns to Olivia's house on behalf of Duke Orsino. \_\_\_\_\_ greets her with his familiar riddles and wordplay. He agrees to inform Olivia of "his" arrival in exchange for \_\_\_\_\_.

Viola is then confronted by Sir Toby and Sir Andrew, who appears to think that speaking in \_\_\_\_\_ will somehow deter the Duke's messenger. He is immediately proved wrong when Viola answers in \_\_\_\_\_ French.

Once alone with Olivia, Viola again attempts to \_\_\_\_\_ her message on behalf of Orsino. But Olivia just isn't interested. In spite of repeated attempts by Viola to return the \_\_\_\_\_ to her original mission, Olivia keeps teasing Cesario, hinting at her \_\_\_\_\_ towards him.

Olivia is fully aware of the social \_\_\_\_\_ between herself and Cesario. In spite of the risks she can contain herself no longer and finally \_\_\_\_\_ her love for him!

Viola's predicament has now \_\_\_\_\_. The success and size of her \_\_\_\_\_ prevent her from telling the \_\_\_\_\_ to both Olivia and Orsino.

### Task 2: Choose two adjectives to describe Feste's character in this scene. Then find two synonyms for your adjectives.
