FEE: \$125 (EARLY BIRD \$110 BY 3/7/2020)}

Note: you will receive a copy of our special illustrated *Healing Angels of the Energy Field Class Workbook* as part of this class.

Throughout his years of facilitating Integrated Energy Therapy® sessions, internationally published author Stevan J. Thayer had the IET Healing Angels of the Energy Field join with him and offered their healing gifts. He created this course to help you discover the special healing gifts that each of these Healing Angels bring and learn how to invite each of the healing angels to support you in your physical, emotional, mental and spiritual healing journey.

You will learn special prayers of invitation that will enable you to call upon these Healing Angels whenever you need healing support. In addition, if you support others in their self-healing through energy therapies like Integrated Energy Therapy®, Reiki, Therapeutic Touch, Healing Touch, Massage or other techniques, the Healing Angels can add a special spiritual dimension to your sessions.

In this class you will learn how to use an *Angelic Heartlink* to connect with each angels' energy. Then, through the power of the group's energy, you will have the ideal opportunity to establish and strengthen your personal connection with each of the IET® Healing Angels of the Energy Field, and directly experience each angel in the way that is perfect for you.
