## Company Overview

Care Catastrophe Assessment & Restoration Experts is a veteran-owned Louisiana-based firm specializing in disaster damage assessments, CDBG-DR cost estimating, and program compliance consulting for state and federally funded recovery initiatives. We bring extensive experience supporting community recovery programs like Restore Louisiana, ensuring accurate, timely, and compliant documentation for homeowner repair eligibility and HUD grant alignment.

## Core Competencies

- Catastrophe Damage Assessments (Structural, Environmental, Site-Level)
- CDBG-DR Scope of Work & Cost Estimating (Xactimate/RMeans/Custom)
- Environmental & Hazard Assessments (Asbestos, Lead, Mold)
- Housing Program Eligibility Inspections & File Documentation
- Recovery Program Compliance Support (HUD/CDBG-DR Requirements)
- Damage Verification & Duplication of Benefits Analysis
- Data Collection & GIS Mapping (if applicable)
- Grant Management Technical Assistance (as subcontractor or prime)

## Differentiators

- Service-Disabled Veteran-Owned & Louisiana-Based: Deep understanding of Gulf Coast disaster recovery challenges
- Specialized in CDBG-DR/HUD Programs: Familiar with OCD-DRU protocols and federal compliance
- Rapid Deployment Capabilities: Able to scale teams statewide following declared disasters
- Trusted by Government & Prime Contractors: Proven performance on state-level recovery efforts
- Proven CDBG-DR Experience: Supported Restore Louisiana (Phases I & II), New York Rising, Rebuild Florida, NJ PREM, and Puerto Rico R3

## NAICS Codes

541620 (Primary), 541690, 541350, 541330, 541990, 236220, 624230

## Product Categories (LaGov Commodity Codes)
