MENTOR RECOMMENDATION

Luke Spencer-Pierce Memorial Scholarship

To the teacher, administrator, mentor, or employer:

Thanks for taking the time to offer support for this application. This is a \$1,000 non-renewable scholarship earmarked for graduating students who have been accepted into a degree or certificate program at a two-year, four-year, or trade school. These are typically students that will pursue an art-related major, minor, or creative career path.

Should no graduating senior intend to pursue an Art or Art-related Major/minor, the selection committee will consider applications from college-bound Seniors that have (1) met the two-year high school Art class requirement and (2) have excelled in Art, as evidenced in the student's portfolio.

Each applicant submits a brief artist's statement and a portfolio of five images for consideration. You can read more about the award at [Creekside Art Space.com/Scholarship](http://CreeksideArtSpace.com/Scholarship).

YOUR RECOMMENDATION

Please take a few minutes to consider the student's prospective plans and send us a short email assessment. One or two paragraphs is sufficient, though you are certainly free to offer more.

Based on your own knowledge and experiences with this student, please speak to their readiness and likelihood of success in their stated college/career path.

Please send the brief email assessment directly to: wmspencerpierce@gmail.com by March 15. Your assessment is confidential and will not be shared with the student or anyone else.

Thank you for your support of this student and this project,
The Spencer-Pierce Family
