

Creekside Art Space

ART MATERIALS LIST FALL 2021

FIRST CLASS: Materials furnished • no need to bring anything

ART I - Derwent Graphic Pencils, includes tin & sharpener, set of 6 (0700835) (1951727)

Make sure the set includes: 8B, 6B, 4B, 2B, HB, and 2H - *this is important - Derwent has some other sets of 6 as well - makes sure yours has these six pencils - no white or colors, etc.* The set runs around \$10 online. Suggest you search that entire top line, various options are out there.

Sakura Pigma Micron Pen, Set of 3, Black Ink, 01 02 03

Again, search the top line. The pen point sizes should be .01, .03, .05. Again, Pigma packages different points sizes, get the right ones. This set runs \$7-8 online.

Paper, Mats: You'll need to get specialized paper, mat board, etc. from us (at cost). So plan on spending another \$5-10.

ART II - (Spring) materials will include Prismacolor pencils, brushes, specialized paper, stretcher, etc. Estimate \$50 and up.

ADVANCED CLASS: When you meet for the first time, we'll take stock of what you already have on hand, and what direction you want to go.

PRIVATE LESSONS: Again, very individualized. Materials \$25 and up.

Hand and Company Picture Framing in Salem is carrying the pencil and pen sets listed above, and offers a 10% discount on framing to any of our students. They are located at 307 S Main, Salem.

Art Supplies are expensive, so look for best deals (consider shipping - the low-priced item may not be a good deal if it comes from overseas and takes weeks to arrive).

Walmart has some good stuff (they generally have Micron pens in stock). **Students at SHS** may find these items at the Bookstore.
