# Utah Care Communities

Utah's Care Communities program supports foster families with Care Teams of 8–10 people, creating consistent community support that improves outcomes for children and strengthens families. Together, we share the burdens and joys of caring for Utah's vulnerable children.

- *Make a real difference for children in foster care.*
- *Build meaningful community connections.*
- *Join or sponsor a Care Team.*
- *Offer special projects or discounts.*
- *Volunteer in ways that fit your group.*
- *Be part of a child's caring community.*
