

# Holiday Music Class Fun

## Our Regular Weekly Songs:

### Hello, My Friends

This is our welcome song that starts out each Tots with Tempo class. It gives us a chance to sing hello to each child while they improvise a "silly" movement.

**SKILLS:**

Steady Beat, Improvisation, and Gross Motor

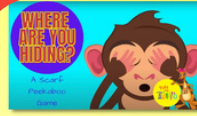

### Shaky Shaky Egg

This song is hands down our favorite tune at Tots with Tempo! In this fun maraca freeze dance, we'll shake, march, bend, and jump while we shake away.

**SKILLS:**

Steady Beat, Gross Motor, Rhythm, Triplets, High/Low

### Where Are You Hiding?

This is another favorite tune that we will do each week to calmly end music class. Scarves cover our heads as we count 1-2-3 and wait for the PEEKABOO reveal!

**SKILLS:**

Dynamics, Beat Anticipation, Patience, Gross Motor

### Goodbye, My Friends

This is Tots with Tempo's goodbye song that closes each music class. We sway back and forth to the steady beat and end with a hand jive or partner clap.

**SKILLS:**

Steady Beat, Gross Motor, "Goodbye" in different languages

### A Chubby Little Snowman

A chubby little snowman had a carrot nose.  
Along came a bunny, and what do you suppose?  
That hungry little bunny, looking for his lunch...  
Ate that snowman's carrot nose:  
NIBBLE NIBBLE CRUNCH!

### Five Little Latkes

Five little latkes SIZZLING in the pan.  
One jumped UP!  
Said, "catch me if you can!"  
I chased it and I chased it and I chased it some more.  
And then that little latke rolled right out my kitchen door!

### The Lights On The Tree

What things will we see and hear on Christmas day? This "Wheels on the Bus" style song will have you baking, snoring, clicking, hugging, choo chooing, blinking your lights, and more!

**SKILLS:**

Singing, Fine Motor, Quarter Note Rhythm

### Hanukkah Is Here

Hanukkah is here, It's the festival of lights.  
Let's count and ding for all eight nights!  
ONE TWO THREE FOUR  
FIVE SIX SEVEN EIGHT!

### Trepak Dance with Scarves

Grab a scarf and let's become artists as we dance along to the Trepak Dance (Russian Dance) from Tchaikovsky's Nutcracker ballet. Dip your scarf in paint and get ready to SPLATTER it all over!

**SKILLS:**

Gross Motor, Listening to Musical Cues

### Bouncing Up and Down in Santa's Sled

You have a very important job this Christmas: you have to drive Santa's sled! But friends, it is a very bumpy ride. Yikes, I hope no reindeer get away!

#### SKILLS:

Steady Beat, Sol-Fa-Mi-Re-Do Pattern

### There's A Little Elf That's Sitting On My Nose

Do you have a mischievous elf in your house this year? I have an elf that likes to sit all over my body: on my nose, head, eyes, ears, knees, toes, and tush!

#### SKILLS:

Steady Beat, Body Part Recognition, AB Form

### Call Rudolph

8 little reindeer are pulling Santa's sled, but one falls off and bumps his head! Do you think 7 little reindeer are enough to pull Santa's sled??? I hope nothing else happens to any other reindeer!

#### SKILLS:

Steady Beat, Subtraction, Counting

### Let's All Do A Little Clapping

Can you help me spread the holiday spirit with our movements and instruments? We'll clap, jump, stretch, ding, scrape, and tap to spread our holiday winter cheer in this fun action song in 3/4 waltz time.

#### SKILLS:

3/4 Time Signature, Timbre, Gross Motor

### The Magic Dreidel Spin

Let's celebrate Hanukkah together by spinning around and around like a dreidel. But this dreidel happens to be magical! Can you jump up and down in the magic dreidel, too, and beware of the FREEZE!

#### SKILLS:

Steady Beat, Gross Motor, AB Binary Form

### There's So Much To Celebrate

There are so many holidays to celebrate! We'll play the tambourines for Hanukkah, ring the bells for Christmas, play the drums for Kwanzaa, tap our sticks for New Year's Day, and spread peace and love.

#### SKILLS:

Steady Beat, Timbre, Fine Motor

### Jingle Bells

I know you know this song! Will you grab some jingle bells and sing it along with me? Or...do it like we do in class and pretend a sheet or towel are a parachute and do the song with your family!

#### SKILLS:

Steady Beat, Gross Motor, AB Binary Form

### The Reindeer Boogie

The Hokey Pokey has got nothing on this version as we become reindeer and spread some Christmas cheer! Can you find your reindeer hooves, antlers, fluffy tail, and of course, your red nose?!

#### SKILLS:

Steady Beat, AB Form, Gross Motor

### Snow Is Falling

Snow is falling all around, from the trees right to the ground. Everywhere we look it's white...get ready, get set: SNOW BALL FIGHT!!! Grab a scarf and let's turn our scarves into snowballs!

#### SKILLS:

Dynamics, Gross Motor, AB Binary Form
