We at CountryTune Network have been anticipating new music from Showdown. They have become one of our favorites here in our Facebook Groups, on our playlists and regular plays on our Stationhead shows. Showdown did not let us down with the release of Measure of a Man. Showdown delivers a powerful message of importance. True to their roots they give us the Southern Rock feel that we all know to expect, delivering that message with the hard hitting southern rock guitar tones, killer drums and a gritty southern rock vocals. Message received loud and clear from the boys!!! Measure of a man is truly well produced song. It follows in the footsteps of Showdown's music in the past of quality Southern Rock. This one has a great feel to it, and the recording has a depth to it that makes you feel like you're in crowd at the bar with the band.

Showdown is Country/Southern Rock Band form OKC, OK. Their influences include Randy Travis, Vince Gil, Lynyrd Skynard, the Alman Brothers, Black Crowes and Drive By truckers.
