*“As Jesus went on from there, two blind men followed him, calling out, ‘Have mercy on us, Son of David!’ When (Jesus) had gone outdoors, the blind men came to him, and he asked them, ‘Do you believe that I am able to do this?’ ‘Yes Lord,’ they replied. Then Jesus touched their eyes and said, ‘According to your faith it will be done to you’; and their sight was restored.” -Matthew 9:27-30*

We live in a world that doesn't seem to trust a whole lot anymore. Why should we? Our culture has proven time and time again that few, if any, are to be trusted when it comes to our lives and the relationships we have surrounding us. I can't count how many articles on Covid – 19 that I've read that contradict another article on Covid – 19 that I've read. With this, on top of so many other questionable things, it's easy to see why trust is at an all time low when you look around.

### Thank God for Jesus!

Jesus came to our broken world to redeem us and to let us know that there is someone who we can trust. Please reread the text above. The two blind men, in faith, believed that Jesus was the Son of God and able to heal them. They trusted that Jesus could do something out of the ordinary, to make people see. Even though their lives were far from perfect, they looked for mercy instead of cursing at Jesus for their hard life. What did they receive? The gift of sight. Now you may not see any similarities to your own lives, but they are there. At the center of this text is the question of trust. Jesus asked, “Do you believe that I am able to do this?” He asks us the same question today. Do you believe that I am able to comfort you at the loss of a loved one? Do you believe that I am able to restore your relationship that seems to be headed for separation or divorce? Do you believe I am able to give you the strength to stop this addiction? Do you believe that I am able to save you? These are tough questions, yet Jesus has an answer for these and all the other questions that face us daily. “Yes, I am able.”

This brings me to an important question. Do you trust Him? Do you trust that Jesus is who He says He is and that He has done what He says He has done? If yes, and I pray it is for all of you, are you willing to trust Him with your lives? Trusting someone makes us vulnerable to them, but we needn't worry when it comes to trusting Jesus. He came because He loved us and wanted us to live eternally with Him in heaven. He is able to bring peace to our lives. He is able to give us balance as we live in this untrusting world. Trust Him in this! He is able!

God give you the strength to believe in all things that Jesus is able.

In His Service,  
Pastor Jason

## JUNE/JULY ANNOUNCEMENTS

### COVID-19 UPDATE

As you probably know by now, the Department of Public Health – Madison & Dane County deemed religious entities as essential, allowing worship spaces of 50,000 sq ft or less to congregate at 25% capacity (up to 60 people for Mount Olive). We will be following guidelines given by the CDC and PH-MDC in our plan to transition back to in-person worship. In addition to offering **Sunday services at 8:00 & 10:30am** (in-person and on Facebook Live), we again offer our summer worship services on **Thursdays at 6:30pm** (in-person only). The Mount Olive Office is back to its normal office hours as well!

### VIRTUAL SUNDAY BIBLE STUDY

Mount Olive will continue to offer a Virtual Sunday Bible Study via Zoom **every Sunday at 9:15am until we finish the current study "Prayer"**. Every Friday, we will email you with the "meeting" link, ID, and password that you will need to attend the Bible study. You can subscribe to this list at the bottom of our home page at [molc.us](http://molc.us). A PDF of the Bible Study will be in the Friday email and on our home page as well. After we complete this study, we will reevaluate our Sunday Bible Studies.

### VOTER'S MEETING

There will be a Voter's Meeting on **Sunday, June 14 at 11:45am**. Voter's Applications will need to be submitted by Sunday, June 7 in order to assure voter eligibility. Applications will be available at the Welcome Center. OR go to [molc.us](http://molc.us) to download it, sign it, scan (or snap a picture) it, and email back to us. Stay tuned for format of this meeting. We would like everyone, including those at home, to have an opportunity to "attend" and vote.

### BOOK CLUB

The Book Club will resume meetings on **Monday, July 13 at 9:30am**. The book for July is The Giver of Stars by Jojo Moyes. Set in Depression-era America, a story of five women and their journey through the mountains of Kentucky, Alice Wright marries American Bennett Van Cleve hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic. So when a call goes out for a team of women to deliver books as part of a new traveling library, Alice signs on. The leader is Margery, a smart-talking, self-sufficient woman. They will be known as the *Packhorse Librarians of Kentucky*. Based on a true story rooted in America's past. The Mount Olive Book Club meets on the 2nd Monday monthly at 9:30am in the Fireplace Room at church.

### CARD SHOP

While the virus surge may keep the church locked down for part or all of the summer, if you do come into the church and need some cards, please continue to "self-serve". Contact the church office to set up a time to come in if needed. The Confirmation, Graduation, and Father's Day cards will stay featured during this time. There remains a good supply of everyday greeting cards for birthdays, anniversaries, weddings, get well, sympathy and more. All purchases support the missions at Lutheran Women's Missionary League. We are located in the Library, next to the Nursery. Thanks for your patronage.

### LET US KNOW IF YOU'RE IN THE HOSPITAL!

Just a friendly reminder to let us know if you are hospitalized. The hospitals used to let us know if any of our members are hospitalized, but unfortunately, that is no longer the case.

(Taken from Truth over Trend, March 15, 2020)

When the Bible says "do not lean on your own understanding," the Bible is being serious. Your heart is deceitful, your emotions fluctuate, your understanding does not see the overall, big picture. God never lies, God never changes, God knows all. Trust Him.

@JesusTheWay\_7

People often ask me, "What is Proverbs 3:5-6" because they see it tattooed on my arm. And without any thought, I usually just recite it off the top of my dome like the Pledge of Allegiance, but rarely considering whether or not I am allegiant to that pledge. I

think so many times we take familiar Bible verses just as words to be recited -- and not life and truth to be received. We use them when convenient and rehearsed, missing the power behind the words. I'm guilty of this myself and I can't even count how many times I have recited my "life verse" without contemplating the profoundly solid and practical truths in such a verse.

*"Trust in the Lord with all your heart and lean not on your own understanding, in all your ways acknowledge Him and He will direct your paths" (Proverbs 3: 5-6).*

Let's contemplate the words "trust in the Lord." You see, when we trust in something, we are placing our security in that entity. For example, I absolutely trust my earthly father, which means I have total and complete confidence in his integrity, ability, and good character because I know him and have a relationship with him. I trust in him because I know he will do what's best for me. However, is that the same level of trust I am placing in my Heavenly Father?

If I am being honest, I would admit that it is harder to trust God than it is man, even though man will always let us down. Only God is perfectly trustworthy and faithful. Yet if I do not take time to get to know Him, I will never come to trust Him. "Trust in the Lord with all your heart" means placing our heart at the Lord's feet. This surrender leaves no room for our own anxiety or worry, but completely entrusts our "being" to God's sovereignty. And as crazy as that may sound or even as scary as it may be, the next part of this verse is necessary for the "trusting" to lead to "His holding."

You see, to "lean not on your own understanding" is to lean completely into the strong arms of God's holding. It means to not rely on ourselves, essentially letting go of what we think we know and letting God take the helm of what He perfectly knows.

*"In all your ways acknowledge Him"*: not some ways or some days, but always with all our ways. This means to admit the existence, reality, and trustworthiness of God. To acknowledge Him as Lord over our world and to give Him full access to sit on the throne of our hearts. There and only there can He begin to govern our walk.

*"And He will direct your paths."* He will begin to establish our steps and lead us where He needs us.

With all that being said and explained, I don't want to just be able to recite God's Word, I want to be incited by God's Word. I don't want to just quote it verbally, I want my life to quote the Truth of God's Word visually. It begins with trust and ends with Him. Trusting Him. Period.

- Registration for the 2020-2021 school year is still ongoing. We have plenty of spots to fill if you know of a child ages 3-5 who would be eligible for preschool. Please call Laurel at 608-238-5656, ext. 218 for more information.
- Although we don't know for sure what the school year will look like due to COVID precautions and measures, at this point we are planning to start in September. We will keep you updated if there are changes that need to be implemented or if we would need to have a delayed start per licensing regulations.
- Please continue to save your tabs for Ronald McDonald house. Once things open back up again in Dane County, I will be dropping off our donation of tabs.
- Thanks for your prayers and words of encouragement as we had to end our 2019-2020 school year in March. We know that God's plans are far bigger and better and that even in disappointing circumstances, He works for the good of those who love Him and are called according to His purpose. (Romans 8:28).

*Proverbs 3:5-6 was my graduation verse from high school and remains one of my favorites from Scripture. Let's rejoice and be glad that HIS ways are good and trustworthy and that we don't have to rely on our own feelings or thoughts. Praying that you will continue to be aware of His daily blessings these summer months.*

In His love and service,  
Laurel

## A VIEW FROM MUSIC AT MOUNT OLIVE

Ray Calderon, Director

Greetings In Christ! As we move forward with our ability to congregate, the musical aspirations of Mount Olive have regained momentum! Our Midday Meditations from Mount Olive online series has been posting regularly to great acclaim and will continue to do so for the foreseeable future. These musical offerings are presented **every Monday at noon** and are posted on the **Music at Mount Olive Facebook page** (facebook.com/musicatmountolivemadison) and **Music at Mount Olive YouTube channel** (youtube.com/channel/UCwSdJBgCszYLU\_qVNZenTig). Do enjoy, and please assist us in spreading the word so that all may partake in the blessings of our musical family!

It gives me great pleasure to announce that our new organ has been delivered! A special word of thanks goes out to all who were able to assist in the unloading process, our pastors, elders, board members, staff, and Josh Savage (Worship Pastor of North Florida Baptist Church, where the instrument was purchased) for all their support and prayers throughout the process. While the instrument is here, it will take some time to be settled into its new home. I intend to work with our Allen Organ technical specialist on the installation process which includes positioning of the new speakers (which outnumber our last set), and tuning the instrument to the specific acoustics of our worship space. We are exceptionally blessed to have such an upgraded instrument which will not only serve our worship needs, but is also a wonderful concert instrument for solo, choral, and instrumental pieces. As more information develops regarding the finalization of the installation process, a dedication concert will be announced! All are welcome!

I wish you all nothing but the very best of all good things and look forward to our being able to share musically in HIS name!

Blessings Abound!

Ray Calderon

### ***Vacation Bible School***

Due to so much uncertainty in these extraordinary times, our Vacation Bible School has been cancelled for this summer.

### ***Board Turnover***

As June approaches, the two-year term for this board comes to an end. As the out-going director of the Board of Ed, I want to thank Julie Evert, Janelle Tonsager, and Jordan Sand for sharing their time and talent in their service on this board these past two years.

Much excitement lies ahead for Mount Olive's education program with the plans for the day school start up in the next year. We pray that God will richly bless our congregation as we resume our regular Sunday School, LOGOS, Pre School, and Bible study classes in the coming months, and that He will bless our School Committee and our new Board of Education members.

Walking in the Light" is our new bi-weekly devotional podcast. It is posted on Tuesday and Thursday each week around noon on Mt. Olive's Facebook page. You can also find them on the MOLC website – [www.molc.us](http://www.molc.us) (under Devotions).

## A VIEW FROM THE TREASURER Greg Rademacher

A few financial highlights from the first four months of fiscal 2020:

1. Overall, Mount Olive remains on solid financial footing and has been navigating the Covid-19 shutdown admirably. It is safe to say offerings have exceeded any expectations that leadership had back in mid-March when in-person worship was suspended. Thank you for your faithful support!
2. Through April 30th, envelope and plate offerings of \$147,330 were at 87.2% of budget and were down 6.6% year over year. These figures represent a continued decline from the prior month, but remain a rather encouraging figure all things considered. The first half of May saw the year-over-year deficit shrink to 2.1% thanks to the receipt of a one-time stock gift.
3. Expenses continue to run below budget, at 85.7% through April 30<sup>th</sup>. That figure also represents a decrease of 9.5% over the first four months of 2019. Primary sources of savings have been lower support to District (budgeted decrease), no asset management transfers (budgeted decrease), lower staff benefits (budgeted decrease) and youth/property expenses (likely temporary timing factors).
4. The current net loss of \$23,612 is ahead of the forecasted budget deficit of \$26,676 as of April 30th, although it did increase by about \$4,300 during April. This loss is offset by the \$6,000 grant we received ("other income"), but for reporting purposes I am focusing on the operating loss.
5. Reiterating the message from last month, we are noticing a decline in offerings but not of a magnitude that would create short-term financial stress. There is an increase in the usage of PushPay and online giving. If you have recently made a gift using PushPay for the first time, we'd appreciate any feedback you have regarding the giving experience.
6. Thankfully, we continue to have sufficient cash reserves to manage monthly cash flow. The timeframe noted last month has not changed meaningfully with the passage of another month, so we would now expect to be able to cover expenses through the end of July without any offerings coming in, or through October at a reduced level. While worship services will resume, we do not yet know what attendance/offerings will look like, and will therefore continue to track reserves using these cautious assumptions.
7. We are expecting to receive the second installment from the District's school grant prior to the end of May, which should add \$7,500 to help with cash flow.

We are happy to answer any and all questions! [treasurer@molconline.org](mailto:treasurer@molconline.org) or 608-279-1870 (Greg's cell). God Bless!

## A VIEW FROM THE SCHOOL COMMITTEE

***"Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge him, and he will make your path's straight" Proverbs 3:5-6***

As a result of current events surrounding COVID-19, the School Committee, with guidance from Dr. Cody, the South Wisconsin District's Education Executive, has elected to postpone the start of Mount Olive Lutheran School until the fall of 2021. While disappointing, the School Committee felt delaying the start until 2021 will provide for a greater chance of a successful launch.

Funding from the district will still be available for this year as well. The Committee's focus throughout the remainder of this year will be enrollment efforts, and hiring a teacher/administrator.

Upcoming Events:

**End of June/July:** Culver's Share Night (Rescheduled from May 19<sup>th</sup>), TBD

**End of June/July:** MooYah Fundraiser Night (Rescheduled from March 24<sup>th</sup>), TBD

**August 1<sup>st</sup>:** Golf outing at Six Mile Creek in Waunakee. Anyone looking to sign up a foursome or to sponsor a hole, feel free to contact pastor Mark at [mbaldwin@molc.us](mailto:mbaldwin@molc.us).

Questions or concerns? Feel free to contact the School Committee at [schoolcommittee@molc.us](mailto:schoolcommittee@molc.us).
